THREE IN ONE, PRONTEAU COLD, HOT, 98°

Filtered water inlet.
98 degree water outlet.
Safety steam vent to a standard
dishwasher connection.
2 Litre tank.
UK manufactured boiler.
5 Year tap warranty.
2 Year boiler unit warranty.

The Seraphina 3-in-1 boiling water tap provides instant boiling water (100°C) at the touch of a button. Seraphina provides normal hot and cold water as well as boiling water, all from the same unit. The Seraphina hot water tank fits below the plinth of the sink unit, this frees up space in your cabinet.

N50 Ovens & Compact Appliances

N 50: Electronic Control with Medium LCD Display Traditional yet precise navigation.

Our N50 Collection offers the convenience and precision of a traditional control dial alongside a stylish large LCD Display. The oven proposes a suitable temperature when a particular function is selected and displays the temperature digitally. Other display features include a control panel lock and, if left unadjusted for a period of time, the oven will switch itself off as a safety measure.

N 50: Small LCD Display Simplicity at its best

An alternative control display offered within our N50 Collection. Featuring traditional controls dials alongside a small LCD display, navigating your oven can be as simple as you like.

ELEGANT EFFICIENCY

The Motus hood glides into action with touch control operation and an electric blue display.

STAGE 1
 The whisper quiet perimetric extraction system removes even the subtlest odours.

STAGE 2
 The black glass front rises further to reveal the aluminium filters as the extraction level increases.

STAGE 3
 It glides effortlessly into position to remove even those hard to shift cooking odours.

STAGE 4
 Maximum extraction when you need it most. Still operating below an impressive 62dB[A].

16mm SQUARE EDGED

All EGGER 16mm square edged laminate worktops are available in 4100mm lengths. Each available décor has both 3000mm square edged upstands, and 1210 x 3000 x 8mm splash backs in a matching laminate. This 16mm range also comes with laminate on both sides, making them an ideal choice for use as end panels, and framing cabinets.

Textures

Perl (PE)
A subtle, burnished surface detail

Crystal (CR)
A sophisticated texture that offers a delicate surface shimmer

Universal (U)
A smooth matt look and feel, giving your worktop a simple, clean finish

Gloss (SQ)
A gloss finish to enhance and compliment the effect of the decor

Fine Wood (FW)
A silky matt finish with an authentically delicate woodgrain texture

Super Matt (SU)
This texture is providing proof that matt surfaces in combination with smooth, high-grade optics, can make a resplendent appearance.

Rough Stone (RS)
Soft riven slate type texture. Suitable for natural stone decors

Glitter Gloss (GG)
High gloss surface, enhanced with a fine amount of shiny real aluminium bits and sparkling glitter finish suitable for stone decors
