- WARRANTY TERMS AND CONDITIONS -

1. The Approved Installer Extended 5 Year Cabinet and Component Warranty is only valid where a £250 + VAT contribution has been made towards the cost of operating our approved installer scheme. An installation deposit invoice will be provided when using our approved installer scheme.
2. Your SKO Warranty is only valid when our products are used in a domestic kitchen - this includes rental properties. Commercial, educational and industrial usage is limited to a 2 year warranty.
3. Your SKO Warranty does not include cosmetic wear and tear or any product failure due to misuse or failure to read any product care instructions.
4. Appliances are subject to manufacturers warranty 28 days after installation. Both SKO Ltd. and any product manufacturer reserve the right to inspect both the product and that it has been installed and used as per the manufacturers instructions before offering any replacement or repair.
5. Your SKO Ltd. Warranty does not cover any item found to be damaged after installation. It is the customers responsibility to inspect any product for damage prior to installation, unless using our approved installer scheme.
