18mm rear panel dowelled & machined into the cabinet. This makes our cabinets solid and keeps them square, keeping your kitchen looking brand new for much longer.

52mm Service Recess to allow for plumbing & electrics.

Hettich Arcitech drawer boxes with full extension 40KG runners. These very strong German drawers are soft close as standard, with glass sides on all pan height drawers.

Durable 1mm ABS edges colour matched to your chosen cabinet colour.

All our cabinets come complete with german HETTICH quick fit, clip on hinges, with soft close as standard.

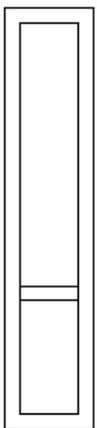

Our cabinets are hand made in our factory in Sheffield. All our cabinets are bespoke and made to order in your choice of 30 colours, to either match, or contrast, your chosen door style.

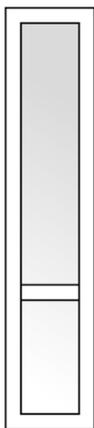

Kensington is a 5-piece shaker door with a 93mm profile and V-groove joints, made from durable ash effect vinyl. It offers the appearance of painted solid timber and is more resilient and easier to clean than most painted doors. A variety of accessories are available to create either a modern or traditional look.

CASHMERE

Pembridge features an elegant 5-piece shaker design with a 73mm beaded profile and V grooves at each joint. Made with a durable ash-effect foil, it offers the appearance and texture of painted solid timber but at a more accessible price. This range is not only tougher but also simpler to clean compared to most painted door styles. With a broad selection of accessories available, you can easily create either a contemporary or classic look for your space.
