18mm rear panel dowelled & machined into the cabinet. This makes our cabinets solid and keeps them square, keeping your kitchen looking brand new for much longer.

52mm Service Recess to allow for plumbing & electrics.

Hettich Arcitech drawer boxes with full extension 40KG runners. These very strong German drawers are soft close as standard, with glass sides on all pan height drawers.

Durable 1mm ABS edges colour matched to your chosen cabinet colour.

All our cabinets come complete with german HETTICH quick fit, clip on hinges, with soft close as standard.

Our cabinets are hand made in our factory in Sheffield. All our cabinets are bespoke and made to order in your choice of 30 colours, to either match, or contrast, your chosen door style.

SOLUS VISION ELECTRIC FIRES - VS RANGE

With a Solus fire, you are in control of every aspect of your appliance, from the speed, colour and brightness of the entrancing flames to the enchanting crackling sounds of burning logs, or the complementing ambient lighting of your extended living space.

Our unique TriLight technology provides multi angled, fully customisable dynamic LED lighting to create thousands of unique colour and tonal combinations to the flames and fuel bed. Each can work in harmony with one another or can work independently to create a unique combination to create a truly unique atmosphere, all at the touch of a button.

This fire comes complete with all accessories required to suit a full panoramic, corner panoramic or fully built in front only application.

Dimensions based on 1500 model.
